## ELECCIONES

### Campaign and election reform

*By Harry Henderson*

New York, NY: Facts On File,  
2004

REF 324.6 HEN

This book covers a wide range of issues, including campaign finance, electoral procedures, and election mechanics. It examines important questions such as how candidates raise

campaign funds and what contributors expect in return; whether there should be legal limits on how candidates can raise or spend money and how much; and the role of corporations, unions, and other well-funded interest groups in raising campaign contributions.

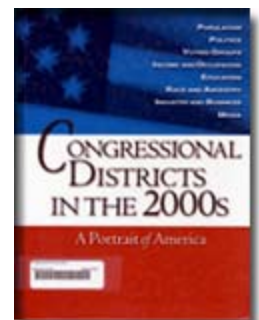

systematic evidence: an examination of the candidate side and an examination of the voter side. The study included Web sites of the three major presidential campaigns for 2000 and two minor ones: George W. Bush, Al Gore, Ralph Nader, Pat Buchanan, and John Hagelin. It also included a state-level perspective. For reasons of cost the project focused on just one carefully selected state: Missouri.

### Congressional districts in the 2000s: a portrait of America

Washington, DC: CQ Press,  
2003

REF 328.73 CON

This book presents descriptive and statistical profiles of the 435 congressional districts based on the 2000 census and subsequent reapportionment and redistricting.

### Campaigning online: the Internet in U.S. elections

*By Bruce A Bimber and Richard Davis*

Oxford, MA: Oxford University  
Press, 2003

324.73 BIM

The authors join together in this book two kinds of

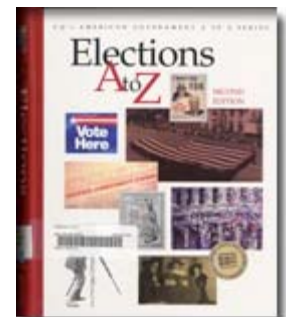

### Elections A to Z

*By John Leo Moore*

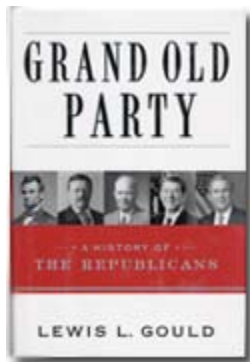

Washington, DC: CQ Press,  
2003

REF 324.609 MOO

Extensively revised for the 2004 presidential contest, this second edition covers all the current issues on the topic,

the history of elections and the major concepts behind attaining political office in the US.

### **Grand Old Party: a history of the Republicans**

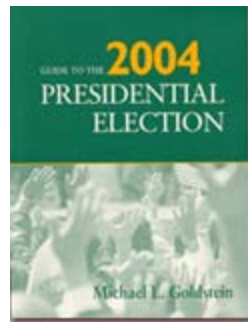

*By Lewis L. Gould*  
New York, NY: Random House, 2003  
324.273 GOU

The book traces the evolution of the Grand Old Party from its emergence as an antislavery coalition in the 1850s to its current role as the champion of political and social conservatism.

### **Guide to the 2004 presidential election**

*By Michael L. Goldstein*  
Washington, DC: CQ Press, 2003  
324.973 GOL

This guide provides insight into the likely candidates, important issues, and new developments on the political scene for the 2004 presidential election. It covers the primaries and caucuses, the national conventions, the fall campaign season, and the future of election reform.

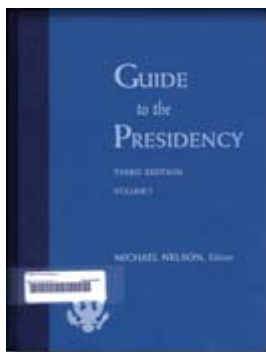

### **Guide to the presidency**

*Edited by Nelson, Michael*  
Washington, DC: CQ Press, 2002  
REF 353.031 GUI

This third edition updates and revises the 1995 edition of a preeminent reference source on the U.S. presidency. Updating incorporates Bill Clinton's second term and many

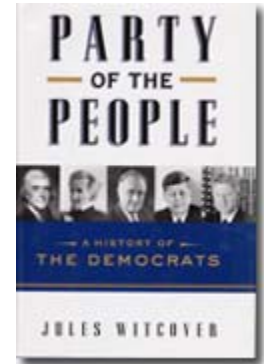

aspects of George W. Bush's first, generally ending with the 2002 State of the Union address. Revisions reflect new research published during the 1990s and early 2000s

### **Party Of The People: A History of The Democrats**

*By Jules Witcover*  
New York, NY: Random House, 2003  
324.273 WIT

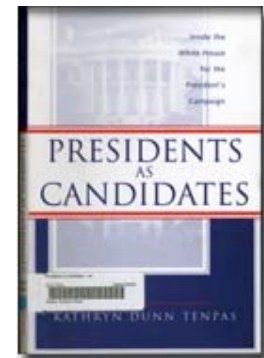

This book traces the Democratic Party's evolution, from its roots in the agrarian, individualistic concepts of Thomas Jefferson to its emergence as today's progressive party of social change and economic justice.

### **Presidents as Candidates: Inside the White House for the Presidential Campaign**

*By Kathryn Dunn Tenpas*  
New York, NY: Routledge, 2003  
324.7 TEN

In this book the author compares eight presidential reelection campaigns from Eisenhower to Clinton, identifying the major factors affecting strategy, and examining the similarities and variations among the campaigns in all of their complexities.

### **The primary decision: a functional analysis of debates in presidential primaries**

*By William L. Benoit, et al.*  
Westport, CT: Praeger, 2002  
324.273 PRI

This book's goal is to describe and explain the nature of the discourse in the presidential primary debates from 1948 to 2000, applying the Functional Theory of Political Campaign Discourse. Transcripts of 25 debates from 1948 to 2000, were analyzed. The categories of policy (issues) and character (image) have been used to investigate television spots.

### **Rethinking the vote: the politics and prospects of American election reform**

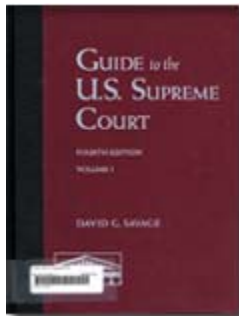

*By Edward J. McCaffery*  
New York, NY: Oxford  
University Press, 2004  
324.6 RET

The essays in this volume try to come to terms with what happened in 2000 and why, and with what can and should be learned from it. The problems are interdisciplinary, and so is the lineup of authors, drawn from the disciplines of law, political science, and communications, and from government practice, journalism and the academy. Many of these authors were firsthand participants in the story of Bush versus Gore.

---

## **LEYES Y LEGISLACIÓN**

---

### **Guide to the U.S. Supreme Court**

*By David G. Savage and Joan  
Biskupic*  
Washington, DC: CQ Press,  
2004  
REF 347.732 SAV

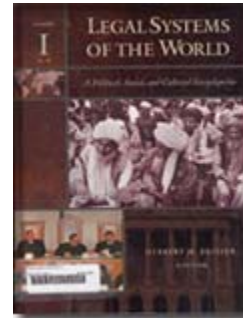

The new fourth edition includes recent events, cases and controversies that have molded a distinct legacy for the Rehnquist Court: from the firestorm over Bush v. Gore, the landmark gay-rights decision in Lawrence v. Texas, and the recent University of Michigan affirmative action decisions, to the rejuvenation of states rights. Covers the Court's entire history; its operations; its power in relation to other branches of government; major decisions affecting the other branches, the states, individual rights and liberties; and biographies of the justices.

### **Legal systems of the world: a political, social, and cultural encyclopedia**

*Edited by Herbert M. Kritzer*  
Santa Barbara, CA: ABC-CLIO, 2002  
REF 340.03 LEG

Written by an international team covers legal systems of countries from around the world, Australia, and the provinces of Canada;

transnational systems (International Court of Justice); general systems (Islamic law, indigenous, and folk legal systems); and key concepts. Each country profile includes a map with an inset of its location on the globe, general information about the country, its history, diagrams of its court structure, the evolution of its legal framework, its current structure, staffing or how judges are appointed, any specialized judicial bodies (i.e. military court), and the impact that the legal system has had on the country. Articles conclude with references and a bibliography.

---

## **ORGANIZACIONES NO-GUBERNAMENTALES**

---

### **The Lobbying and Advocacy Handbook for Nonprofit Organizations: Shaping Public Policy at the State and Local Level**

*By Marcia Avner*  
Saint Paul, MN: Amherst H. Wilder Foundation, 2001  
REF 659.2 AVN

It will help you decide whether to lobby and how to put plans in place to make it work. It offers resources, worksheets, and samples to guide you in each step of the way.

---

## **POLÍTICA Y GOBIERNO**

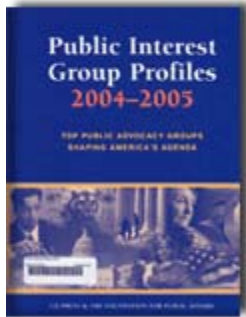

---

### **The American Political Process**

*By Alan R. Grant*  
London: Routledge, 2004  
320.473 GRA

Examines both the formal institutions of government and organizations such as political parties and pressure groups. It analyses how these bodies interact in the making of public policy in the United States in order to provide and understanding of contemporary American politics.

**Public interest group profiles, 2004-2005**

Washington, DC: CQ Press, 2004

REF 322.4 PUB

This book presents vital information about more than 250 of America's most influential public advocacy groups. It features useful information on internships and employment, and more detailed information about group leadership, funding, sources, and political contributions.

---

**POLÍTICAS PÚBLICAS**

---

**The politics of terror: the U.S. response to 9/11**

*By William J. Crotty*

Boston, MA: Northeastern University Press, 2004  
973.931 POL

This book concerns terrorism in the wake of 9/11, which represents a new kind of threat to America and demands a new kind of war. The basic issue addressed in this volume is how to balance legitimate national security concerns with the rights and freedoms that have characterized American democracy.
